Dear Players and Parents:

I would like to welcome everyone to the 2021 ACMS football season. My coaching staff and I are excited about the upcoming season. This letter is to inform you of all the happenings prior to the beginning of the season.

The summer camp will be July 12 – 15. The camp will be from 8:30 – 10:30 a.m. All sessions will be held at Jaguar Stadium. We understand that some may have prior engagements with summer plans, but this camp will be very beneficial to those who attend. We will be going over many of the offensive and defensive schemes we use throughout the season. We will also spend time on fundamental skills. If you are planning on attending camp, please fill out the flyer and return it to me by the end of the school year or you can bring it to the first day of camp. Please make checks payable to Justin Charbonneau.

Summer weights start on June 7th and run till July 29th. The summer weights program will be held in the new weight room at ACMS this year. It will be run by Coach Tuttle and his staff. It is not mandatory to attend summer weights, but I would strongly encourage you to do so. We can certainly see a difference in those kids that do attend. It also gives the athletes an opportunity to lift with their teammates and the opportunity to get to know the high school coaching staff.

We hope to see you all at camp in June. If you have any questions regarding the season or camp please e-mail me at charbonj@usd385.org

Thanks,
Justin Charbonneau and Staff
