Parents & Players – PLEASE READ ALL OF THIS!

1. **Practices** – Typical in-season week = Mondays, Tuesdays & Wednesdays till approx. 5:35 PM. Thursdays till 5 PM. Freshmen may conclude slightly earlier on Tues/Wed.
2. **Post-practice video meetings:** On occasion, a certain group (for example, DBs, or LBs, etc.) will watch video immediately following practice or before school. Positions (10th-12th) will have these at similar times each week.
3. **Video Review by Players** – Players will be expected to review game and practice video on their own **computers** on Hudl. Position-specific playlists will be distributed on the weekends, and careful study of this by players is critical to our improvement and success.
4. **Missing practice – Players should not miss practice unless they are ill or have a family emergency. Detention** should be served **before** school or on **Saturday mornings**. **Tests** should be made up and extra teacher help should be sought **before** school or **during seminar time**.
ANY Monday night player who misses school and practice on a Tuesday after a game will have an automatic suspension for 1 quarter of the next sub-varsity game.
Attendance is important--school and practice!
5. **Practice** – We typically practice Monday through Thursday. The 9th grade team and the JV team do not practice on Mondays; however, if buses haven't left yet, we expect the JV players to attend the "Scouting Report"/video session at the start of the Monday practice (location TBA).
6. **Injury Treatment** – **Injured players are required to see our team trainer before leaving after practice or after a game; they are expected to continue to see the trainer daily until cleared and to continue to attend practice daily.** Furthermore, injured players should plan to get injury treatment on Saturday mornings at ACHS; time will be 9 AM or TBA.
7. **Event Nights** – We expect players to attend these. These activities are a way that we can "give back" support to our loyal supporters and other fans. If a player has a major test or something coming up that would make attending this difficult, he should visit with Coach Tuttle.
8. **Players ONLY** – Download the **FREE Hudl app** and install it on your phone.
Players ONLY: Sign up for team's Hudl account by going to <https://www.hudl.com/jointeam> and enter code 8ghbdba
Turn on notifications: Settings/Notifications/Hudl/"Allow Notifications" turned on and check all the alert boxes, and turn on "Sounds" and "Badges."
9. **Players AND Parents** – Sign up for a Twitter account, and follow the ACHS Jaguar Team Twitter Account: **@ACJaguarFB**.
10. **PARENTS / COMMUNICATION** – Download the free "Band" app, and join the ACHS football group. **Click HERE for the link to join.** The Band App is for receiving notifications about ACHS Jaguar Football events. For communicating with the coach, email **tuttled@usd385.org** or call **Coach Tuttle's school phone at 316-218-4700 ext 32306.**
11. **Monday Night Games** – Sometimes the number of games, opponents, times, locations, and rosters change due to injuries and/or available players by teams. **Schedule is tentative. The JV coaches will send a Hudl message each Sunday to clarify who will be playing JV that Monday.**
12. **Schedules / Game Site Locations:** Specific schedule info, including addresses for specific stadiums, can be found at **www.avctl.org** Click on Andover Central then sport / level (Var/JV/Fr).
13. If we make it to State, **players are expected to practice the entire week of Thanksgiving, including a special, short Thanksgiving Day morning practice—an awesome tradition.**
