- Regular: Feb. _____, 2025

Parents & Players – PLEASE READ ALL OF THIS!

1. **Practices** – Typical in-season week = Mondays, Tuesdays & Wednesdays till approx. 5:35 PM. Thursdays till 5 PM. Freshmen may conclude slightly earlier on Tues/Wed.
2. **Post-practice video meetings:** On occasion, a certain group (for example, DBs, or LBs, etc.) will watch video immediately following practice. Positions (10th-12th) will have these at similar times each week.
3. **Video Review by Players** – Players will be expected to review game and practice video on their own **computers** on Hudl. Position-specific playlists will be distributed on the weekends, and careful study of this by players is critical to our improvement and success.
4. **Missing practice – Players should not miss practice unless they are ill or have a family emergency. Detention should be served before school or on Saturday mornings. Tests should be made up and extra teacher help should be sought before school or during seminar time.**
ANY Monday night player who misses school and practice on a Tuesday after a game will have an automatic suspension for 1 quarter of the next sub-varsity game.
Attendance is important--school and practice!
5. **Practice** – We typically practice Monday through Thursday. The 9th grade team and the JV team do not practice on Mondays; however, if buses haven't left yet, we expect the JV players to attend the "Scouting Report"/video session at the start of the Monday practice (location TBA).
6. **Injury Treatment – Injured players are required to see our team trainer before leaving after practice or after a game; they are expected to continue to see the trainer daily until cleared and to continue to attend practice daily.** Furthermore, injured players should plan to get injury treatment on Saturday mornings at ACHS; time will be 8 AM – 9 AM or TBA.
7. **Event Nights** – We expect players to attend these. These activities are a way that we can "give back" support to our loyal supporters and other fans. If a player has a major test or something coming up that would make attending this difficult, he should visit with Coach Tuttle.
8. **Players ONLY** – Download the **FREE Hudl app** and install it on your phone.
 - a. **Players ONLY: Sign up for team's Hudl account by going to <https://www.hudl.com/jointeam> and enter code 8ghdbda**
 - b. **Turn on notifications:** Settings/Notifications/Hudl/"Allow Notifications" turned on and check all the alert boxes, and turn on "Sounds" and "Badges."
9. **Players AND Parents** – Sign up for a Twitter account, and follow the ACHS Jaguar Team Twitter Account: **@ACJaguarFB**.
10. **PARENTS / COMMUNICATION** – Download the free "Band" app, and join the ACHS football group. **Click HERE for the link to join.** The Band App is for receiving notifications about ACHS Jaguar Football events. For communicating with the coach, **email tuttled@usd385.org or call Coach Tuttle's school phone at 316-218-4700 ext 32306.**
11. **Monday Night Games** – Sometimes the number of games, opponents, times, locations, and rosters change due to injuries and/or available players by teams. **Schedule is tentative. The JV coaches will send a Hudl message each Sunday to clarify who will be playing JV that Monday.**
12. **Schedules / Game Site Locations:** Specific schedule info, including addresses for specific stadiums, can be found at **www.avctl.org** Click on Andover Central and then the sport and level (Var/JV/Fr).

13. If we make it to State, **players are expected to practice the entire week of Thanksgiving, including a special, short Thanksgiving Day morning practice**—an awesome tradition.

The graphic features a central photograph of a football player in a white jersey with the number 15, wearing a gold helmet, in the middle of a play. A large gold 'AJC' logo is overlaid on the top left of the photo. At the bottom of the photo, the text '2024 FOOTBALL SCHEDULE' is written in large white letters, with 'CENTRAL GRIDIRON.com' in smaller text below it.
